To whom it may concern

On behalf of Polish Rugby Union I am writing to confirm that we co-operate with Grupa Funtime Sp. z o.o. and its sister company Fun Time travel agency for the planning and execution of rugby tours, fixtures and training camps in Krakow and Malopolska region, and that we can recommend their services as a reliable sport tours partner.

We have been in co-operation with Grupa Funtime since 2012, working with them to provide appropriate documentation required for fixtures against local sides and rugby tournaments.

Yours sincerely,

Grzegorz Borkowski
General Secretary
